

# SCHEELS.

173 Employees  
2010 Pacesetter

'Casino Night' was so popular the first year that Scheels decided to do it again the next year!

United Way employees helped to kickoff this special event by participating in games such as black jack, ping pong, the bean bag toss, and even the hot wing eating contest! A brief presentation from the Store Leader and a United Way representative wrapped up this fun (and filling) evening.

United Way representatives made presentations at staff meetings throughout the week (employees were required to attend).
